Elmwood Happenings 5/29/2024

Greetings Elmwood Community,

It is hard to believe that the students are done tomorrow. It has been a wonderful year, and we are very pleased on the progress that your child has made this year. Test results for all state tests will be in the Parent Portal by the end of June. As we get into summer, the front offices will be open for about 2 weeks. After that, only Central Office will remain open over the summer. A Central Office staff member will be in the office from 7:30 AM until 4 PM every Monday through Thursday this summer. If you have any questions or need help, please email me and I will direct you to the right place.

Finally, we are in desperate need of subs in all areas, especially in custodial and bus driving. If we do not secure enough drivers, we may have trouble covering routes when our regular drivers are out for the day.

1. One of our own, middle school student, Tucker Tussing, played the lead role of “Jack Kelly” in Toledo Met’s production of Newsies Jr. The Broadway Musical!

2. The "Boots & Buddies: Mother / Son Dance" and "Father/Daughter Luau Dance" events happened this month. These events were for our Pre-K through 6th Grade girls/boys along with a very special date to match the above events.

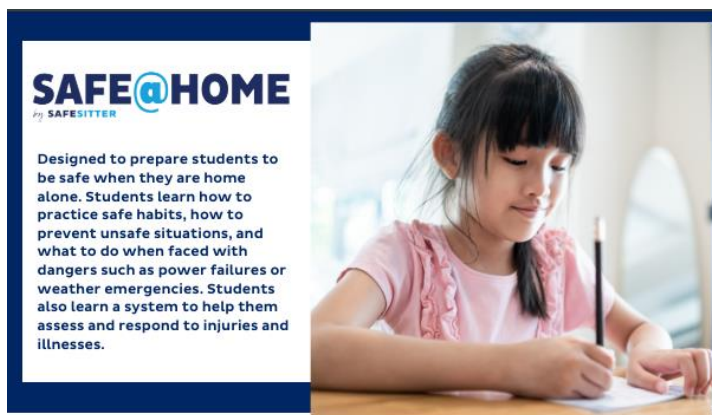

3. "Take me out to the ball game..."

On Wednesday, May 8th the **Elmwood Sports Marketing and Entertainment Class** attended the Toledo Mud Hens Baseball game vs. the Saints on a promotional Mud Hens School Education Day that was offered to students, faculty, staff. Our students were able to get a very exclusive tour of the Club Level Box Suites, Sun Deck Patio, and Field Level Access. Students were able to see firsthand a variety of key marketing concepts they have been learning throughout the semester with understanding of the overall Marketing Mix: Product, Price, Promotion, and Distribution along with corporate sponsorship, target, markets, customer service, venue risk management, etc. Overall, a very beautiful day at the ballpark and fun had by all!"

4. Here is an opportunity from one of our Community partners. Wood County Hospital is offering a Safe@Home Class in June and July. The class is designed for students to be safe when they are home alone. See the flyer for more information.
